

Clarity Copiers would like to introduce you to the Business Partnership Programme

Clarity was established in 1977 and has over 35 locations within the UK and has over 20,000 live customers. Clarity has is one of leading independent distributors of Digital office equipment; our intensive ranges include equipment from Sharp Panasonic Canon and Ricoh to name a few.

The Business Partnership Programme has been designed to encourage business to business opportunities within our customer base. Bringing extra sales and profit within our network and ensuring client retention.

Clarity Copiers Sheffield will promote your business in your local branch which will be the South Yorkshire and Derbyshire areas, We will send out mailers to all of our customers and put your details onto our website together with your mission statement and any offers that you have,

We also pay loyalty rewards for any recommendations that we receive in the form of gift vouchers for certain high street department stores at the rate of £5 per lead together with a £50 reward for any business converted.
